Profile

Dan Anthony Dorado is a full-time faculty member at the **U.P. School of Library and Information Studies**, where he teaches *information technology, management and marketing, research methodology, and quantitative research*. He was also the director of the **Diliman Learning Resource Center** under the **Office of the Vice Chancellor for Student Affairs**. Before that, he was an **Information Specialist** at the **College of Engineering Library**, in charge of the *System and Network Administration* and *The Learning Commons*. He completed his master's degree at the **Technology Management Center** in U.P. Diliman and is currently pursuing his *PhD in Data Science*. As a member of Sync.Bio .Optics laboratory and the Publics, Archives, and Data (PANDA) Lab, his research specialization covers **Computational Methods, Open Education, Critical Data Studies, and Radical Statistics**

Work Experience

2012/06 – present	**Assistant Professor** *UP School of Library and information Studies*
2024	**Member - Editorial Board** *PAARL Research Journal (PRJ)* 2024
2023 – present	**NSTP Coordinator - SLIS** *NSTP Diliman Office*
2022 – present	**Organization Adviser** *UP Data Science Society*
2020 – present	**Co-Founder and Co-Chair** *Data Librarians Special Interest Group*
2012 – present	**Organization Adviser** *UP Library and Information Science Student Association*
2020/08 – 2023/06	**Director** *Diliman Learning Resource Center*
2022 – 2023	**Associate Editor** *Dunong: UP Diliman Journal of Student Research*
2014	**Committee on Policies, Standards, and 2014 Guidelines for BLIS program and requirements for Academic Libraries common to all programs** *Commission on Higher Education*
2009/06 – 2011/12	**Information Specialist** *UP College of Engineering Library*

Education

2023/08 – present
PhD in Data Science
University of the Philippines Diliman

2012/06 – 2016/04
Master of Technology Management
University of the Philippines Diliman

2003/06 – 2009/04
Bachelor of Library and Information Science
University of the Philippines Diliman

Skills

Programming languages ●●●○○
R, Python, PHP

Database management and SQL ●●●●○
MySQL, PostgreSQL, MongoDB,

Data analysis and visualization ●●●●●
Excel, Tableau, RStudio

Version control systems ●●●●○
GitHub, GitLab,

Linux/Unix system administration ●●●●○

Web development ●●●●●
HTML, CSS, JavaScript

Cloud computing ●●●●○
AWS, Azure, Google Cloud Platform

Network administration and configuration ●●●○○
CompTIA Network++

Front-end and back-end frameworks ●●●○○
Django, Flask, Spring

Certificates

Ethical Conduct for Research Involving Humans (TCPS 2: CORE 2022)
Certificate # 0001538584
8 February, 2026

Teaching Experience

CWTS 1
The first phase of the Civic Welfare Training Service program, designed to enhance the civic consciousness of students by developing the value of service and commitment for the welfare and betterment of life of all members of the community.

CWTS 2
A program designed to develop the youth's physical, moral, spiritual, intellectual, and social well-being and promote defense preparedness and ethics of service while undergoing training in any of its three program components. Its various components are specially designed to enhance the youth's active contribution to the general welfare.

LIS 131: Media Materials and Technology
Evaluation, acquisition, organization, and use of media materials and technology in libraries and information centers.

LIS 151: Library Management I
Basic theories and principles of management for effective library service.

LIS 152: Library Management 2
Theories and principles of management as applied to various types of libraries and information centers.

LIS 158: Marketing Library and Information Services
Marketing Library and Information Services

LIS 160: Information and Communications Technology in LIS I
Theories, principles, components and issues of ICT and its applications in LIS.

LIS 161: Information and Communications Technology in LIS II
Fundamentals of Information Storage and Retrieval Systems, Database Management Systems and Programming in LIS.

LIS 164: Telecommunications and Networks for Library and Information Science
Use of telecommunications and networks for information access and dissemination for library and information science.

LIS 190: Statistical Techniques in Library Information Science
Statistics for the analysis of research data in library and information science.

LIS 192: Quantitative Research in Library and Information Science
Quantitative paradigms, theories, and methods used in information research.

LIS 198: Introduction to Knowledge Management
Knowledge Management in Theory and Practice

LIS 198: Introduction to Digital Humanities
This course explores the contours of digital humanities as a field, touching upon fundamental issues related to the field's coalescence and thus to its theory and praxis. It looks at the ways in which digital humanities brings new approaches and sheds new light on different disciplines. For this semester, the focus would be the digital humanities along the intersection of literary studies and library and information science.

LIS 198: Digital Scholarship
Explores the intersection of digital content, networked distribution, and open practices and how it affects scholarship.

LIS 198: Research Data Management
Explores the diversity of data and their management needs across the research data lifecycle, be able to identify the components of good data management plans, and be familiar with best practices for working with data including the organization, documentation, and storage and security of data.

LIS 199: Research in Library and Information Science
Principles, methods and problems of research with practical application to librarianship and information science.

LIS 256: Project Management for Library and Information Professionals
Examination of tools, techniques, and methods of project management for library and information professionals in galleries, libraries, archives, and museums (GLAMs)

LIS 260: Introduction to Information Systems
Overview of the basic functions of information storage and retrieval systems. Includes user studies, current awareness services, SDI, information marketing, introduction to computers and survey of major information systems

LIS 299: Research Methodology
Research Methodology in LIS

Thesis Advisees

2024	**Perceptions of Reference Librarians on the Factors that Affect Their Acceptance of Adopting ChatGPT in Virtual Reference Services** *Tayamora, Pamela May* Undergraduate thesis
2024	**Chatting About Bots: Investigating The Challenges and Opportunities for Integrating AI Chatbots into Library Systems at the University of the Philippines Diliman** *Julongbayan, Rad* Undergraduate thesis
2024	**A Proposed Assessment Tool for Measuring the Spatial Accessibility of Libraries in the Philippines Using Enhanced 2-Step Floating Cathment Area: A GIS-Based Method** *Hernandez, Luke Martin* Undergraduate thesis
2023	**Design And Evaluation Of A Web Application For Continuing Professional Development (CPD) For Registered Librarians In The Philippines** *Balaoro, Gerard Ian* Undergraduate thesis
2022	**Development Of The College Of Science Digital Scholarship Commons With An Integrated Scholar Profile** *Emano, Judy Ann* Graduate thesis - Adviser
2019	**Design And Implementation Of A Knowledge Base For The Office Of The Vice Mayor Of Marikina City's Covid-19 Efforts** *Santos, Patcheska Dewi* Graduate thesis - Adviser
2019	**Digitization of the DNA-Forensic Analysis Laboratory NSRI-UPD resource materials** *Viray, Dianne Angela* Graduate thesis - Adviser
2019	**Impact analysis of an Optical Character Recognition Enhanced Information Retrieval Tool using the combination of Task-Technology Fit Model, Technology Acceptance Model and Information System Success Model** *Surmieda, Janny* Graduate thesis - Adviser

2019 **Developing the library of Bagong Ilog Elementary School in Pasig City**
Silvestre, Camille Jol
Graduate thesis - Adviser

2019 **Project Lib: understanding how librarians in Metro Manila manage their projects**
Moraña, Mark
Graduate thesis - Reader

2019 **The social return of investment method as a tool for valuation and impact assessment for libraries**
De Leon, Simon
Graduate thesis - Adviser

2019 **Implementation of Philsin College Foundation, Inc. Integrated Library System**
Cao, Danilyn
Graduate thesis - Reader

2019 **A study on the evaluation of university students on the information quality and credibility of online political information**
Sayana, Jethro
Undergraduate thesis

2019 **Online information seeking behavior of Facebook's "Free Data" users in Barangay San Manuel and Barangay Citrus in San Jose Del Monte, Bulacan**
Bunao, Jessie Angeli
Undergraduate thesis

2019 **An economic efficiency study of Radio Frequency Identification (RFID) System in Bangko Sentral ng Pilipinas (BSP) Library using net present value analysis**
Lagman, Jerome
Undergraduate thesis

2018 **The development of a makerspace in Valeriano E. Fugoso memorial elementary school library**
Navarrete, Chiara Maye
Graduate thesis - Adviser

2018 **Microfiche digitization and retrieval process improvement for the human relations area files collection of the Rizal library, Ateneo de Manila University**
Dela Cruz, Tommy
Graduate thesis - Adviser

2018 **Marist School integrated information literacy program (MaSInform program) A study on the integration of library lessons and information literacy skills in a school's curriculum based on the fully integrated collaborative model of integrated curriculum**
Evangelista, Dia Marie
Graduate thesis - Reader

2018 **Design and implementation of EMRC web-based portal**
Mallo-Eustaquio, Geraldine
Graduate thesis - Reader

2017 **Library cafe as a service innovation a case study on Tweedle Book Café as a third place**
Gali, Frances Andriette
Undergraduate thesis

2017 **An exploratory study on the knowledge management practices of duly-recognized school of library and information studies student organizations**
Luna, Adrian Philip
Undergraduate thesis

2017 **A case study on the perception of selected Philippine librarians on the evolution of the library profession**
Laxamana, Mary Allyson Claude
Undergraduate thesis

2017 **An exploratory study on online misinformation appraisal behavior of undergraduate students from the University of the Philippines Diliman**
Espina, Patricia Louise
Undergraduate thesis

2017 **Warning! graphic content a study on the impact of infographics on attention, appeal, and recall and comprehension**
Espeleta, Jul Yan Marie
Undergraduate thesis

2017 **Patterns of advice, trust and communication among the employees of the UP Main Library using Social Network Analysis (SNA)**
Bamba, Frederick
Undergraduate thesis

2016 **An assessment of the knowledge management readiness of the benefits and gratuity claims unit of the AFP pension and gratuity management center with implications of implementing a knowledge management initiative**
Agcaoili, Andrea Jessica
Undergraduate thesis

2016 **An economic valuation of the Quezon City Public Library - Main: a mixed methods approach on a total economic value framework**
Reyes, Dridge Paul
Undergraduate thesis

2016 **Development of a prototype self-check system for the U.P. Diliman main library", Undergraduate thesis**
Ong, Joseph Carl
Undergraduate thesis

2016 **An exploratory study on the open access policy of selected academic institutions: a case study**
Mercado, Nathaniel Jhon
Undergraduate thesis

2016 **Estimating the social return of investment on the Marikina City library using the contingent valuation method**
Guillen, Neil David
Undergraduate thesis

2016 **Factors influencing the research productivity of library and information science (LIS) faculty in higher education institutions: an exploratory study**
Carreon, Alec Andrei
Undergraduate thesis

2016 **An exploratory study on the factors that influenced Bachelor of Library and Information Science graduates on their choice of LIS specialization**
Cobico, Jazel Marianne
Undergraduate thesis

2015 **A bibliometric analysis of undergraduate theses from the School of Library and Information Studies from 2010-2014 : an exploratory study**
Balaquit, Jessica Patricia & Bugnosen, Marianne
Undergraduate thesis

2015 **Design and implementation of an open source android mobile barcode inventory software for the University of the Philippines Diliman School of Economics Library**
Miclat, John Ezekiel
Undergraduate thesis

2015 **The reading interests and habits of Science curriculum students and Science high school students in Quezon City**
Guzman, Jamie G
Undergraduate thesis

2015 **A case study on environmental factors affecting user traffic at the College of Arts and Letters library**
Mararac, Caren Cyel
Undergraduate thesis

2015 **The creation of a risk-based insurance policy for the print collection of the UP Main Library based on the risks of fire damage and factors leading to rebinding and replacement**
Ramirez, Jess Christian
Undergraduate thesis

2015 **Using a GIS-based floating catchment method to assess the provision of library services within proximity of Quezon City Public Library branches**
Yague, Clifford
Undergraduate thesis

2015 **An economic valuation of Marikina City library using revealed preference methods**
Obal, Manilyn
Undergraduate thesis

2015 **Using contingent valuation method in estimating the public benefits of the Marikina City Library**
Necesario, Roy Santos
Undergraduate thesis

2014 **An explorative study on I.T. and systems librarianship focusing on competencies, tasks, and responsibilities in the library setting**
Cerdeno, Chris Gianni
Undergraduate thesis

2014 **A proposed collection development policy and prototype integrated library system for the technical library and database center of Philippine Batteries Inc.**
Agnar, Aldus & Lacsamana, Roel Ellis
Undergraduate thesis

2014 **Design and implementation of an android mobile application prototype for the University of the Philippines College of Engineering Library**
Santos, Patcheska Dewi
Undergraduate thesis

2014 **Use of infographics among selected libraries in Quezon City an exploratory study**
Samson, Patricia
Undergraduate thesis

2013 **Development of an SMS-based library querying system for the UP Integrated School Library**
Cadiz, Paolo Leandro
Undergraduate thesis

2013 **A KOHA customization, migration, and training project for the Quezon City Public Library**
Corral, Valerie Darl & Piquero, Giancarlo

2013 **Development of a Prototype Integrated Library System (ILS) for selected public high school libraries in Quezon City**
Dela Cruz, Angelie & Pineda, Mark Elizier
Undergraduate thesis

2012 **A proposed library programs for the implementation of a self-circulation system in the University of the Philippines Diliman Libraries**
Quindoza, Mark Lawrence
Undergraduate thesis

2012 **Data envelopment analysis cost-efficiency an approach to measuring library performance**
Gregorio, Jasper John
Undergraduate thesis

Publications
